Competition

As with any spring hockey, it is often a challenge to balance the skill level of the teams in every tournament. We hope the Decker Cup has found compatible teams but it will also put in some checks & balances to ensure teams are not encouraged to run up scores. (See #5 below)

Format

1. Teams will play round robin games.
2. Wins are worth 2 pts , Ties are worth 1 pt and a loss is worth 0 points.

Play off Rounds: Divisions 2012/13, 2011, 2010 go straight to final based on RR ranking. Divisions 2009 & 2008 will crossover with the other pool for a semi final game, then into final.
3. Play off Rounds: if tied, please proceed to a shoot out. 3 players per team, followed by 1:1.
4. No team can win with more than 6 goals over their opponent. All goals will be recorded on the game sheet, but the visible score clock as well as the official results will not show a goal differential greater than 6 goals. (mercy rule).
5. Tie Breakers: In the event teams are tied following the round robin games ranking will be decided as follows:
 - Results of the game between the 2 tied teams
